7) The printing of the Police weekly Gazette will be undertaken by the Govt. Press, as it is not likely to give any very material addition to the Press work. In which case the budget allotment under this head will have to be transferred to the Press. But it is feared that there will be delay in printing and issue, unless special arrangements are made for sending mail punctually to the Press. The despatch of the Gazette will have to be done by the Police department as at present, otherwise additional staff will have to be employed for packing, despatch &c in the Press.

No R.O.C.384/21. Dated Camp Mysore, 13th October 1921.

From

A. Subramanya Iyer, Esq., B.A.,
Inspector-General of Police in Mysore.

To

B. Ramaswamaiya, Esq., B.A., B.L.,
Secretary to the Government of His Highness the Maharaja of Mysore, General Department.

Sir,

With reference to para I of Government Order No.M.522-87/P.& S 6-20-72 dated the 2nd August 1921 directing that no work should be given to private presses without the express sanction of Government, I have the honour to request to be informed if it is necessary that the Police Gazette which is being printed at a private press ever since it was started and which is now published weekly should also be printed at the Government Press. When the Superintendent, Government Printing was asked in February 1919, whether the printing of the Police Gazette can be undertaken in the Government Press in accordance with Government Order No.G.15210-69/G.P.11-14-3 dated the 23rd January 1919, he wrote to say in his letter No.2231 dated 7th March 1919 (copy enclosed), that the printing of the Police Gazette by Messrs. V. B. Soobiah & Sons, Bangalore City, might be continued in future also on the understanding that the bills of the firm together with a sample of each issue being sent to him for scrutiny and transmission to Comptroller. This procedure has been followed since then.

The Police Gazette is being printed by Messrs. V. B. Soobiah and Sons for over 30 years and the same might be permitted to be continued. This arrangement is working satisfactorily and enables the prompt issue of the Gazette. In these circumstances I would recommend the continuance thereof, i.e. that the Police Gazette be got printed at a private Press and the bill scrutinized by the Superintendent, Government Printing.

I have the honour to be,
Sir,
Your most obedient servant,

Inspector-General of Police.
